FIFTH PLENARY MEETING OF THE SEVENTH CENTRAL COMMITTEE OF THE WPK HELD

★ Line on Launching an Offensive for a Frontal Breakthrough Advanced
The Fifth Plenary Meeting of the Seventh Central Committee of the Workers’ Party of Korea was held at the headquarters building of the WPK Central Committee from December 28 to 31, 2019.

Kim Jong Un, chairman of the Workers’ Party of Korea, guided the meeting.

Present at the meeting were members and alternate members of the WPK Central Committee and members of the Central Auditing Commission of the WPK.

Present as observers were officials of the WPK Central Committee, officials of ministries and national agencies, chairpersons of the provincial people’s committees, the provincial rural economy committees, and the city and county Party committees and officials of major fields and units and the armed forces organs.

Kim Jong Un presided over the meeting on the authorization of the Political Bureau of the WPK Central Committee. The plenary meeting dealt with the following agenda items:

1. On the orientation of our immediate struggle under the present internal and external situation
2. On the organizational matter
3. On modifying and supplementing the collection of the slogans set forth by the Party Central Committee
4. On celebrating the 75th founding anniversary of the WPK with splendour.

Kim Jong Un made a historic report on the agenda item. Saying that the period of the past eight months since the Fourth Plenary Meeting of the Seventh Central Committee of the WPK witnessed an uninterrupted and highly intense struggle and courageous advance, he referred to the fact that the WPK has always formulated and maintained correct internal and external political lines centred on the urgent demands, rights and interests of the Korean people and the sovereignty and security of the state and has constantly struggled for their implementation.

He continued to say that the Party Central Committee convened this plenary meeting for the purport of comprehensively and deeply analyzing and assessing the subjective and objective obstacles and difficulties faced in the course of the great and dynamic advance of the revolution and of taking decisive measures for further promoting socialist construction.

Kim Jong Un advanced the revolutionary line on launching an offensive for a frontal breakthrough as required by the present situation and the developing revolution. Noting that our own internal might with self-sufficiency and self-reliance as the motive power has been further strengthened in

the tense struggle for carrying out the decisions of the Fourth Plenary Meeting of the Seventh Central Committee of the WPK. He referred to the fact that the DPRK, having greatly demonstrated their indomitable valour and tremendous potentiality while proudly advancing and keeping in the difficult situation true to the appeal of the Party and the state, has been tackling construction holding higher the unfurled banner of self-reliance. He said that the challenges that have faced us in the past several months have been so harsh and dangerous that others would not withdraw if faced with the same but would yield to them, but no difficulties could ever stop or delay the rush of our people advancing undauntingly as a solid integral whole, and they have achieved great successes ceaselessly in bolstering up the strength of the state and in increasing its defence capabilities, and the Party and the state are now standing at the gateway of new victory.

He underscored the need to launch a dynamic struggle to increase production, practise economy and improve the quality of production, conserve ecological environment and take strict measures to prevent natural disasters.

He also stressed that agricultural production should be radically increased and that science, education and public health be improved. He underscored the need for Party organizations to imbue the whole Party and all the people with the idea that we will come.

He counted on the Party, the government and the people to stand up and carry through the policies and measures with a higher sense of responsibility and the DPRK-US stand-off which has lasted from one century into the second will come.
He raised the tasks for launching an intensive Party-wide, nationwide and society-wide campaign against anti-socialist and anti-socialist practices, improving the work of working people’s organizations and lightening the moral discipline throughout society.

He referred to the need to strengthen the Party, the General Staff of the revolution, and markedly increase its leadership ability.

He said that what is important for the Party to discharge its leadership mission as the General Staff of the revolution is to correctly indicate the orientation, fighting goals, tasks and ways to Party members and other working people in every period and proficiently organize and mobilize them in the implementation of them. It is also important to consolidate the Party’s leadership ability into an invaluable one to build it to be a party that enjoys the absolute support and trust of the masses of the people and has formed an integrative whole with them.

He advanced the tasks of principle and practical measures for further strengthening the Party organizationally and ideologically and enhancing the role of cadres in line with the requirements of the times and the developing revolution.

Our revolution is advancing dynamically, but the hostile forces’ challenges to it is getting more persistent and the current difficulties are serious, said, adding that our Party has decided to wage another arduous and protracted struggle in order to achieve the full victory of the revolution and make our great people well-off.

Stressing the need to continue to devote nationwide efforts, deep concern and unstinting support to the defense-building for firmly guaranteeing the national sovereignty and security and the people’s happy future according to the strategic policy advanced by the Party, he called on officials and scientists in the defense industry to throw themselves into the sacred activities for bolstering up the national defense capabilities in every way in the spirit and mettle with which they developed the nuclear war deterrent through a three-year-long arduous struggle and with invincible loyalty to the Party and the revolution.

He said that what is important for the Party to discharge its leadership mission as the General Staff of the revolution is to correctly indicate the orientation, fighting goals, tasks and ways to Party members and other working people in every period and proficiently organize and mobilize them in the implementation of them. It is also important to consolidate the Party’s leadership ability into an invaluable one to build it to be a party that enjoys the absolute support and trust of the masses of the people and has formed an integrative whole with them.
